Paris– On 15 October 2017, Artcurial Motorcars will invite collectors from around the world to Paris, for an exclusive Mercedes-Benz-only sale.

Mercedes-Benz is joining forces with Artcurial Motorcars for this exceptional sale. The manufacturer with the three-pointed star will provide collectors and enthusiasts an opportunity to breathe new life into some of the treasures that have, until now, been conserved in the marque's reserves. Twenty models in the auction will come directly from the private collection of Mercedes-Benz France. Added to this will be approximately forty hand-picked cars from other collectors.

« Following several highly successful single marque sales, it is exciting for Artcurial Motorcars to be joining forces with an automotive pioneer such as Mercedes-Benz. We are thrilled to be promoting such a unique heritage, and making it accessible to collectors around the world. »

Matthieu Lamoure,
Managing Director, Artcurial Motorcars

« The Mercedes-Benz France collection is a glorious reflection of over 135 years of history and we are delighted to entrust this heritage to connoisseurs and enthusiasts of our marque. Teaming up with Artcurial Motorcars for this special sale was a logical step for Mercedes-Benz - always in pursuit of excellence! »

Marc Langenbrinck,
President Mercedes-Benz France

There is still an opportunity for collectors to consign Mercedes-Benz models to this sale, to be offered alongside the Mercedes-Benz France collection. More details on the cars in the collection will be available soon.
